Samples and Replacement Cards

Are available through the literature ordering system at ki.com/literature or from your KI Sales Representative.

- Not all samples shown are available on all KI products.
- Refer to KI Color Addendum or Architectural Wall Color Addendum for a comprehensive listing of standard KI finishes.
- Expect slight variations in color, texture and finish between these glass photos and actual, physical glass samples. Please evaluate physical samples before finalizing your glass selection.
- Contact your dedicated sales specialist or project and service coordinator with questions.
